Rural Chances Vocational Scholarships 2022 are open!

Do you know young people who want to study at TAFE or do an apprenticeship and need some help to achieve their dreams?

Youthrive Rural Chances offers young people the chance to support their vocational training with scholarships for TAFE study or apprenticeships.

Rural Chances scholarships can assist young people who:

- have to travel long distances or move away from home to gain qualifications
- struggle with the many expenses associated with training or building skills
- can see a skills gap in rural Victoria they can fill
- and would enjoy mentoring and networking opportunities

There are 10 scholarships valued at \$5000 to assist with long distance travel or moving out from home. Additionally there are 10 more scholarships for up to \$2000, to cover specific items to support training.

Our 2022 Rural Chances Scholarship applications are **NOW OPEN** and **CLOSE 25th October 2021**. Applications can be submitted as either an easy online form or video.

Please encourage aspiring young people in your community to apply!
